Assistant Commissioner for Patents

Dear Sir:

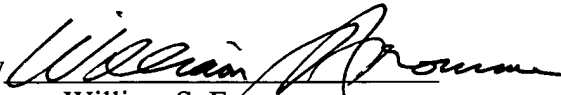

Upon reviewing the Final Office Action mailed June 26, 2002 in the above-referenced application, it appears that this Action may be incomplete. We received pages 2 through 7 of the Detailed Action portion. We did not receive the page of the Office Action containing the Examiner's signature.

Accordingly, it is respectfully requested that a complete copy of the Final Office Action be forwarded to applicants' representative, and that the term set by the Final Office Action of June 26, 2002 be reset with the mailing of such complete copy.

Respectfully submitted,
